The Story of Blackthorne's War Begins The back country of the Lands Between lies in ruins as a result of the war that engulfed the Ages Between. Due to this, the powers that were are attempting to create a means to open an interdimensional portal. The people of Blackthorne seek to battle this evil by standing between the two worlds and protecting the people and the lands between them. Rise, Tarnished, and be guided by grace Blackthorne is filled with endless worlds. Filled with infinite riches and temples to the beings that exist in the Lands Between. But what lies beyond these worlds? How are you going to enter them? The Elden are here to guide you. They provide you with the knowledge of the world and the fortitude to carry out your mission. While knowing that they are the key to your future, some of the Elden are filled with doubt. How will you live? Who are you? The Lands Between hold worlds filled with endless possibilities. A variety of opportunities are always at your fingertips, but what will become of you? The Elden are here to guide you. They provide you with the knowledge of the world and the fortitude to carry out your mission. While knowing that they are the key to your future, some of the Elden are filled with doubt. Turn on you The Elden Ring gathers the world's power. The key to controlling the world lies with the Elden Ring. If the Elden Ring falls into the hands of the enemy, the world itself will be turned into a battleground. When the time comes, the Elden Ring must be awakened and guided to power. ONLINE MULTIPLAYER The online portion of the game offers you an opportunity to battle in real-time. You can meet other players, travel together, and fight each other in both co-op and competitive modes. CUSTOMIZATION & CHARACTER DEVELOPMENT With such an enormous world, there is always something to discover, and with the Elden's help, you can uncover new and challenging dungeons in your quest for glory. In addition, the intensity of the battle varies depending on your level and equipment. 5 LEVELS OF PLAY Begin your journey at an introductory difficulty level and rise to higher levels by defeating high-level monsters. WHAT'S NEXT * Developer comment When I say the above in the English-speaking world,

In stage I disease, radiation plays an important role after hysterectomy, whereas in stage II-III, radiation is the only treatment modality if lymph nodes are positive. In stage I, radiotherapy alone for low risk disease is unnecessary. For intermediate risk disease, radiation is recommended. Radiation therapy is also recommended in postoperative relapse of stage I/II disease, especially for high risk cases. In stage III disease, concurrent chemoradiotherapy is generally recommended. The role of radiation therapy is limited for stage IV disease. News Social Media Use among Veterans Matters Social media use by veterans is growing but that doesn't mean veterans are the most active of users, according to a new study. The Pew Research Center conducted the study with the Atlanta-based National Center for Veterans Analysis and Statistics (NCVA&S). The group was tasked with finding out how social media use by veterans compared to all Americans and determined that about 24 percent of veterans use social media, compared to 22 percent of Americans. The report also concluded that Facebook users are currently younger, wealthier, more educated, and more politically liberal than the average American. The survey included more than 38,000 respondents and asked questions including: What are the most popular social media platforms? What are the differences in social media use between veterans and civilians? The most commonly used social media bff6bb2d33

■Gameplay Introduction The Lands Between, which lies in a world divided by the “Desert of Blood”, was formerly known as the “Elden Ring”. The tide of the Elden Ring has been washed away with the passage of time, and the world of the Elden Ring began to stretch its boundaries. The world of the Elden Ring is divided into a wide variety of territories with different structures. To reach the Land of the Elden Ring, you must cross wide expanses of the desert and vast mountains. In that way, you can interact with other players and see the Land of the Elden Ring through their eyes. In the Land of the Elden Ring, there are several kinds of kingdoms and organizations that follow a way of life opposing the gods. You can ally yourself with them and team up with them to rise up. An evil god has brought civilization crashing to the ground. The gods, who were previously like grandfathers to the people of the Lands Between, are no longer respected and are seen as a joke. Even the rich and powerful of the lands are not immune to the fate of the world. Under the sky of the world divided by the Desert of Blood, a “Fantasy Action RPG”, where you can forge your own path, rise,

and become a guardian of the Lands Between, is being created! ■ Story You are a unique character sent from "the future". The game begins in the lands between the Elden Ring. This is where you will see the story unfold, and you will be able to deepen the connection with other players who appear in the same territory. The main character is formed from a variety of stories of past heroes who have become demigods and has risen to the heights of the World of the Elden Ring. We will be revealing the story in volumes through the years. ■ Focus on Fantasy Action RPG The story will be told through a fantasy action RPG style action game. As you fight on the world of the Elden Ring, your own gameplay will deepen. The action game style allows you to directly fight against opponents, and the fantasy action RPG style lets you and other characters discuss the world of the Elden Ring through a variety of events and an easy control style. Both types of gameplay are simple, so even first-time players can easily enjoy it. ■ Main

What's new in Elden Ring:

Also see 1.7 - Added "loot_on_close=true" to config file, this allows players to loot a chest on close (not required) Also see 1.6 - Added an option to not generate a loot chest on close (good for the host) Also see 1.5 - Fixed collision on doors - If a body is destroyed while being carried, the carried body will not be dropped on death (like the other battlefield). Also see 1.4 - Tools and Books will no longer open in other maps - The party teleport effect for doors will no longer reappear if the console is closed during the teleport effect. - Tool and book holsters can no longer be opened if they are, themselves, being carried. - You can now interact with a door from another map (this was disabled in 1.4). - Fixed objects disappearing if characters were deleted on close. Also see 1.3 - Many fixes and improvements to body and world destruction - ROP events and actions for doors, weapons, and books are disabled while NPCs are in the catacombs. - NPCs no longer destroy destroyed objects - Books are no longer unlocked and propped open with the gold key item. - Tools are no longer automatically stored for closed doors to be opened (for now). - New on-screen indicator for in-world players controls. - Added tooltip for in-world characters (AKA nameplate) as well as items carried. Also see 1.2 - There are now letters on characters indicating the classes of the player, and whether or not they are accompanied by an NPC. - Npc helpfully report that they are going to bleed when damaged in combat. - Pulpier look. - The door can be pushed open by punching or using the console. - Entering "look here" on doors is more useful (as well as increased to size). - You can now direct the ROP events through the console. - Fixed the knockback effect from NPC_DOOR_LASER_BLAST - Fixed the "laser door" effect. - On-screen indicators are now be raised at the office when someone enters. - Chests no longer open when the console is

closed. - Cast being carried no longer drops characters (it's an encouragement to no longer throw up). - Chests no longer
