Licensing requirements also can prevent people from lawfully practicing their chosen professions. We have received numerous complaints of teachers who were unable to hold teaching positions when their license expired, as well as of lawyers, doctors, pharmacists and dental hygienists. More than 2.2 million women are licensed to practice osteopathic medicine, but licensing requirements are either outdated or incomplete. In some states, doctors are licensed in one field and practice in another without a separate license. Licensure requirements for any other health care provider can vary widely, from physician assistants with no training beyond an associates degree to registered nurses and pharmacists. The coarse seas of fractious chaos in 1905. In 1910, the order is re-established in the Urals. The Cheka is founded in July 1918, to be powerful and secretive. The repression of Bolsheviks continues for some time. In the 1921 elections, Lev Kamenev is regarded as a presidential candidate.
